My dearest Sarah... Thank you for proofreading my term paper. If it weren't for you, I would have failed the semester.
Oh, it's no problem, Bird God.

As reward for your services to the lords of the sky, I hereby grant you the powers of my kind.

Oooh! You mean I can fly now?
Well... no.
But you'll always know which direction is North and have the power to love forever.
And sometimes your eyes will dilate rapidly for no reason.

Ugh. Not gonna lie, those are some pretty lame bird powers.
Well what did you expect? I'm not going to give you freaking everything.
You only corrected a paper, Sarah.
Pfft!

Well, there is actually more. You know that thing ducks have where water sort of just rolls off of them?
Mmmyeah?
I gave you that too.

Oh... Yippee.
Go ahead! Why don't you try it out?
